ABOUT US

UNIQUE PLASTIC INDUSTRY has been delivering reliable plastic manufacturing solutions since 2018. We specialize in producing high-quality plastic containers, lubricant cans, buckets, and packaging products that meet the evolving needs of local and international markets.
Our commitment to quality, innovation, and customer satisfaction drives every aspect of our operations.

INDUSTRIAL BUCKET SOLUTIONS

WHAT WE DO?

We manufacture durable plastic buckets, containers, jars, and lubricant cans in multiple sizes and specifications to meet diverse industrial and commercial requirements.

WHY CHOOSE US?

We combine quality manufacturing, competitive pricing, and dependable service to deliver products that businesses can trust for long-term performance.

COMPANY OVERVIEW

Unique Plastic Industry is a trusted manufacturer of plastic packaging solutions, serving a wide range of industries across Pakistan.
With modern production capabilities and strict quality standards, we focus on delivering products that offer durability, consistency, and value. Our goal is to build lasting partnerships by providing reliable solutions and exceptional customer support.

CamScanner

WHY US

Our team has immense experience in the field with brilliant designing skills to meet customer demands. We are open to ideas and customization because we believe that new ideas could grow both the businesses together. We keep a bulls eye on market and industry to shape our brand which is directly proportional in creating such a product that would serve in enhancing your brand identity.

01

QUALITY ASSURANCE

Quality is guarded from the beginning; we make sure that customer knows each and everything about the product. Therefore, a sample is provided along with the inspection of raw materials in factory so that the customer is completely satisfied before placing the order.

02

EFFICIENT DELIVERY

We prefer efficient delivery process depending upon the quality of order. There is no doubt we have great capacity of orders and deliveries and we promise to deliver efficiently on time by keeping your feasibility in mind.

03

AFTER SALE SERVICE

As stated earlier that our mission is to provide customer satisfaction and long term relationships. Therefore, we are available for after sale service to ensure customer care.
