HAFTA · 2026-10-26 to 2026-11-01 · PKR

TOTAL = gross weekly sales − recorded bill discounts − return credits. Return AMOUNT is net credit after the original discount; RATE stays historical. ADVANCE is not separately classified. Receipts and reversals are separate. BALANCE = verified opening + all signed journal movements; a negative balance means company owes client. · SYNTHETIC TEST DATA — NOT A COMPANY STATEMENT · No dedicated color/die charge or advance allocation exists in PHP V1. Ordinary receipts are shown separately. · No separately recorded GST/non-GST classification exists in PHP V1. Clients and vendors are never combined. ·
